

ONLINE CONSULTING SUPPORT *for small business*

If you are looking for professional consulting assistance for your ISO 9001 certification but can't afford the cost of hiring an on-site consultant, the Online Consulting Program from Core Business Solutions is a highly effective, affordable support alternative. The program is a **step-by-step program** that gives you the personal **guidance and on-demand training** you'll need, all **documents and requirements**, a detailed, 16-week **project plan**, and **remote support** from an experienced ISO consultant. Core Business Solutions will help you get your ISO 9001 certification done in **4-months or less**.

Through the use of web-technology, telephone, and e-mail, you'll feel confident knowing we're with you from start to finish until you're successfully ISO 9001 certified.

The Online Program includes **expert consulting resources** and **on-demand training**.
